Safe and Inclusive School Plan

Ensuring Positive Learning Environments

 This year we are focusing on building and maintaining healthy relationships with an emphasis on resolving peer conflicts. Our purpose in focusing on relationships is to improve academic achievement as well as student well-being.

Throughout the year, we will be:

1. Focusing on the Essential Conditions for Learning.
2. Using our community partners, as well as workshops throughout the year focusing on creating positive peer relationships.
3. Monthly assemblies acknowledging kindness, co-operation, and respect.

Community/Home Connections

Monthly class and school newsletters that provide parents with opportunities to connect with their child about what is happening at school.

Encourage your child to use their voice when they see acts of disrespect and unsafe behaviour.

Check out this resource [Stop It, Name It](#) about speaking up and being a supportive ally.
